A Yorkshire Breakfast to Start your day:

A fresh start: With a welcome bowl of mixed fruits served chilled with a dash of freshly squeezed lime juice, there's also a choice of breakfast juices.

Cereals: Help yourself from a selection of cereals and yogurts, served with chilled milk – Nice!

Our Full Yorkshire Breakfast: Keeps you going for the day!

Sausage

Our local Farm Shop, Ingfield, have won awards for their quality sausage selection. Choose from: Pork & Leek, Peppered Pork and lovely plain Pork Sausage.

Bacon

Our friendly local Butcher, Steve, selects your bacon and cuts it especially to our requirements from top quality bacon joints – Tasty!

Eggs

We offer quality free range eggs, Burford Browns or Cream Legbars, cooked to your liking: poached, fried, boiled or scrambled.

Tomatoes

Tomatoes on the vine brushed with basil oil and grilled to retain their juices.

BBB'

Beans means Branston Baked Beans of course – really rich and tasty.

Black Pudding

Quality Bury Black Pudding cooked in a light olive oil and basted in Jersey butter - Yummy!

Sauté Potatoes

Sliced, steamed and pan browned with a touch of olive oil and butter.

Field Mushrooms

Large field mushrooms grilled and served with black pepper & jersey butter.

Or any selection of the above to suit individual requirements.

Vegetarian?

Don't worry you can have a combination of the above with the added choice of cheese blended into scrambled egg served on toast or a field mushroom topped with tomatoes or cheese, not forgetting beans and sauté potatoes – delicious!

Coffee or Tea

We serve a selection of teas that will refresh your taste buds or if you need a stronger flavour try our delicious ground Kenyan Coffee – beautiful!

Naturally, you may want to finish your Breakfast with toast, croissant, pastries and preserves (assorted tray). All offered as part of your full Yorkshire Breakfast.

Have a nice day!
